

Sabeel

Sabeel is an ecumenical grassroots liberation theology movement among Palestinian Christians.

Sabeel is committed to a prophetic ministry in solidarity with the oppressed and to the holistic liberation of all people. Sabeel strives to develop a spirituality based on justice, peace, non-violence, and reconciliation for the different national and faith communities.

Sabeel strives to promote a more accurate international awareness regarding the identity, presence, and witness of Palestinian Christians as well as their contemporary concerns.

OUR VISION

Since 1998, Canadian Friends of Sabeel has raised awareness in Canada of the struggle of Palestinian Christians, while joining all people in Palestine and Israel striving for peace with justice toward reconciliation.

Our work is made possible by a national team, several new and emerging local chapters, and our supporters.

WHAT WE DO:

AMPLIFY and HEED the VOICES of PALESTINIANS through responding to Palestinians' calls to action with speaker tours, events, and projects.

CONVENE and SUPPORT the NATIONAL CHURCHES and church related organizations on Palestine – including for BDS.

FUNDRAISE for HUMANITARIAN WORK undertaken directly through our partners in Gaza/West Bank.

COMBAT FALSE PROPAGANDA FED TO MILLIONS of PILGRIMS

We are extending to Canada a successful European legal challenge to begin to overturn the Zionist propaganda used by the pilgrimage industry. This is part of our Authentic Christian Pilgrimage program (ACP).

EDUCATE and ENGAGE on distorted Christian theologies that rationalize the dispossession of Palestinians. In 2015, we hosted the North American 'Seeking the Peace of Jerusalem' conference.

WHAT WE WORK FOR:

A PEACEFUL RESOLUTION to end the Israeli occupation of the West Bank, Gaza, and East Jerusalem that allows the Palestinians to live as a self determining people, in accordance with international law and United Nations resolutions

EQUAL RIGHTS AND ACCESS to resources for all inhabitants of the region, based on principles of social, economic, environmental and political justice

THE RIGHT TO RETURN for Palestinian refugees in accordance with international law and human rights

WE PROMOTE

NON VIOLENT STRATEGIES called for by Palestinians, such as **boycott, divestment and sanctions (BDS)**

PRINCIPLED and CONSISTENT CANADIAN GOVERNMENT POLICIES and actions towards ending the occupation
